

Community RePaint Swindon supplies Nationwide volunteers with paint to brighten Swindon Hospital Children's Ward

Community RePaint Swindon is run by Swindon Children's Scrapstore, who are a low cost community resource centre.

They were approached by Nationwide who were in need of paint in a variety of colours for the circus inspired designs they had created. Nineteen volunteers from Nationwide then spent two days on the Children's Ward at Swindon Hospital painting the artwork, which can be seen in the pictures below.

Community RePaint Swindon collect leftover paint from their local community, which they then redistribute at an affordable cost to

benefit individuals, families and charities in need. In 2017 alone, they redistributed 4,800 litres of paint. If you need paint for your own project, then find out the opening times and details for Swindon Children's Scrapstore on their website www.scrapstore.co.uk.

"The day went fantastically and the end result is just great!"
Emma from Nationwide

Community RePaint is a UK wide paint reuse network. To find your nearest Community Paint scheme visit their website www.communityrepaint.org.uk.
